### BASHTI SCORES LIKE CRACK

NEWCASTLE STABLE'S FILLY WINS SPINAWAY STAKES IMPRESSIVELY.

Love-Not and Sweepaway, from Keene Stable, Take Remaining Places-Uncas Chief Beats Firestone in Handicap.

Saratoga, N. Y., August 16.—Bashti, from the Newcastle Stable, was an easy winner of the rich Spinaway Stakes, the feature of a good program furnished by the Saratoga Association today, and worth \$7.820 net to the winner. An even dozen went to the post and Bashti was always first choice, with the trio from the stable of James R. Keene—Love-Not, Spin and Sweepaway—next in demand. Love-Not finished second and Sweepaway—the didentification of the Spin was beaten for fourth place by Savannah, the Hitchcock starter.

The performance of Bashti was a marvelously good one, for while she took up 122 pounds, three pounds over the scale, she was at no time fully extended to whi in a common canter by three lengths in 1:062, which is remarkably good time for the Saratoga track. This race affords an excellent line on her chances in the Futurity, in which she will meet both colts and fillies. Unfortunately for Andrew Miller and Thomas Welsh she is not eligible for the Hopeful, to be run the coming Saturday.

Jockey Shilling had the mount on Bashti today and when she broke well he lost no time in hustling her into a lead of a couple of lengths, and the result was never afterwards in doubt. Housemaid attempted to give the winner a chase, which tactics resulted in her weakening badly in the stretch, while Love-Not, the one to race to second, was not hurried by Notter in the early stages and as a result had enough left to finish with a good burst of speed.

Round the World, the western filly that has made considerable of a reputation for herself in the east, was the one that disappointed in the running, though she had some excuse. In the stretch she was in a good position, when she was cut off by Love-Not and, it is possible that but for the interference she might have finished in the money, but there was never a time from the break that she had a ghost of a chance with the winner.

The Spinaway Stakes, instituted in 1881, was discontinued in 1891 and resumed in 1901, since which time its history is as follows:

Year. Winner. Wt.

1908 Maskette 112 Notter 8,250 1:056
1909 Ocean Bound 115 Scoville 7,750 1:066
1910 Bashti 122 C.H.Shill'g 7,820 1:063
The handleap of the day was at a mile and an eighth and, after the scratching of Fitz Herbert, it was considered an open affair. It went to Uncas Chief, one of the long shots, well handled by E. Lougan. It was the first winner ridden by Dugan following his reinstatement a few days ago and he was heartily applauded when he beat out Shilling, who had the mount on Firestone.

The Sanford stable was in good form, two of the races going to the Amsterdam sportsman, when his good sprinter, Herkimer, beat a smart lot in the opening dash and his two-year-old, Granite, made a show of a big band of maidens. Granite is a son of Rockton and the fast mare, Adriutha, and the belongs among the good ones.

A disqualification came out of the mile race for selling platers when Black Mate finished first after he had carried Woodcraft to the extreme outside through the stretch. Shilling, who rode Woodcraft, made a claim of foul and it was promptly allowed, while jockey Glass, who rode Black Mate, was suspended for the rest of the meeting by the stewards, who looked upon the interference as intentional. It developed later that Glass and Shilling had an alter-cation recently and that Glass was taking this opportunity to wipe out the score.

It was announced during the day that the Matron, one of the rich two-year-old features of the fall meeting of the Westchester Racing Association, would be run at the Pimlico meeting of the Maryland Jockey Club. This is following the lead of the Coney Island Jockey Club in transferring its Futurity to Saratoga. The Matron is run in two divisions, one for fillies and the other for colts and geldings. It is probable that the first balf will be run on the opening day of the Pimlico meeting.

## NOTES OF THE TURE.

John E. Madden thinks that S. C. Hildreth's Nov ty will win the Futurity.

It is expected that virtually all of the crack jockeys of the country will ride at Churchill Downs the coming fall.

W. O'B. Macdonough, of California, has arrived at New York for the purpose of attending the sale of his yearlings, which will take place next week.

The Grand Prix de Tronville-Deauville, worth \$20,000, run at Deauville Monday, was won by W. K. Vanderbilt's Gibelin. Yvette, owned by Mason Carnes, was second.

Carnes, was second.

It is reported that the Kentucky State Racing Commission will re-open the case of trainer John Marklein, who has been under suspension since spring, at its meeting on August 24, to which date the Bedwell case has been assigned.

H. P. Whitney's Adam—Belle of Troy filly won the Trial All-Aged Selling Plate of 200 sovereigns, for two-year-olds and upward, distance five-eighths of a mile, at Stockton, Eng., yesterday. The Cya-nean filly was second and Coronal third.

Kay Spence, who was re-instated by the Kentucky State Racing Commission after his suspension at Latonia, has gone to Mexico, Mo., where he has a farm and until he gets hold of a horse of higher class that those in the string he raced on the Kentucky tracks this season he will do most of his racing at "bush" meetings.

# ANOTHER SHIPMENT TO ARGENTINA.

Lexington, Ky., August 16.—Maj. Thomas J. Carson has made arrangements to dispose of his Dixiana Stud thoroughbreds in the Argentine Republic, and on August 21 he will ship fifty head, including the stallions Scintillant II, and Ornicant, together with a number of mares and yearlings, to Buenos Ayres. They will go under the hammer the last week in September.

entember.

John Miller left here this morning for Saratoga
ith fourteen yearlings to be sold at auction, eight
om the St. James Stud and six from Nursery Stud.

### WINNERS THAT ARE SIX YEARS OLD AND OVER

Although such cracks as Ballot, Jack Atkin, King's Daughter and Montgomery are in this year's band of horses actively engaged in racing, the old sprinter, John Griffin II., leads them all in number of races and amount of money won. His age considered, he is a remarkable example of well-conserved speed. Up to date the records of horses six years old and over which have won \$2,000 or more this year are as follows:

## JACKSONVILLE'S GREAT STAKE LIST.

Hamilton, Ont., August 16.—Horsemen have received notice that the stake books for the winter meeting at Moncrelf Park, Jacksonville, Fla., are in the printers' hands. There are to be thirty-eight stakes for the 100 days of racing, which is about the same as last season.

F. J. Pons, who is in Canada looking after the interests of the Jacksonville club, semi-officially announced the stakes and also stated that there are already applications for more than 600 stalls, with many more owners to hear from. Virtually all of those who raced there last season are going back, and there will be numerous additions.

# KENTUCKY STALLS IN DEMAND

Louisville, Ky., August 16.—The New Louisville Jockey Club received applications from the east today for stable room for the strings of Amos Turney. George Land and Kimball Patterson, which make fully thirty strings of horses from that section for which reservations have been sought for the fall meeting. These stables will mostly all go to Lexington to race and Racing Secretary W. H. Shelley has booked them for stable room there. He has only 560 stalls available on the track and these were filled at the late spring meeting, so he is in a quandary as to what to do with the extra horses which are sure to go to Lexington this fall. This gives the management here little concern, as the two tracks can accommodate 1,200 horses and the adjacent territory can easily take care of the overflow.

flow.

The feature today at Churchill Downs was the cutting loose by trainer Westmoreland of several of the yearlings by The Commoner, owned by F. J. Pons. They recled off eighths around 123. Trainer Westmoreland, in some cases, let the older horses work far ahead of the yearlings as leaders, and the plan is a good one, as it teaches the colts and fillies to run straight and true,

# GOOD DAY FOR FAVORITES

FIVE FIRST CHOICES ARE AMONG AFTER-NOON'S WINNERS AT HAMILTON.

Oakhurst Takes Steeplechase Race in Promising Style

-Donald Macdonald Winner of Handicap Dr. Andrew J. Smith Dies.

Hamilton, Ont., August 16.—Form was well observed this afternoon, five of the eight races being won by favorites. The card was one of the best yet offered by Secretary Loudon, and contained as features the Nursery Plate, the Ontario Selling Handleap and the Green Steeplechase. The latter race, which was over the short course, proved easy for Oakhurst, which raced in the colors of Thomas Hitchcock, Jr., last season. Oakhurst was counted one of the promising steeplechasers developed last year, and today's start was his second effort this year, On his race this afternoon it looks as if he may yet develop into the high-class fencer that Mr. Hitchcock hoped he would.

Donald Macdonald, one of the shiftlest selling platers racing on the Canadian circuit, took another purse when he made a runaway affair of the Ontario Selling Handleap. He was ridden by Musgrave, dashed to the front rounding the first turn and made all the pace under slight restraint. Grania and Radium Star suffered interference on the first turn, where they were crowded against the inner fence, Jockey J. Deavenport, who had the mount on Grania, claimed a foul against the winner, but it was not allowed.

Out of respect to the memory of the late Dr. Andrew J. Smith, who died at his home in Toronto last night, the flags on all the buildings at the course were placed at half-mast. Dr. Smith was a thorough sportsman, loved the thoroughbred and was one of the pillars of the turf in the Donnihon. Several turfmen from the United States will attend his funeral tomorrow, among them Walter O. Parmer, who came up from Nashville.

William Walker has partly closed a deal for the contract that Kay Spence holds on jockey Cole. The latter arrived here today and will ride for the walker during the remainder of the meeting. If his work in the saddle is satisfactory, Mr. Walker will open negotiations with F. A. Forsythe for the services of jockey Thomas for the winter season. Mr. Walker contract that failure to sign Cole, Mr. Walker will open negotiations with F. A. Fors

## NEW YORK BREEDING BUREAU PLANS.

Saratoga, N. Y., August 16.—The following announcement has been made by the Jockey Club: "The end of racing for the season in this state on September 1 will not bring any lessening of the interest and attention in the several departments of the Jockey Club that were organized for the purpose of improving the breed of horses. The motives in organization were sincere and the work will go on as thoroughly and as earnestly as if the turf in this part of the country was at the height of its prosperity.

"The breeding bureau of the Jockey Club is one of the branches of the work that is receiving attention. At present its stallions, located in different parts of the state, number forty-seven, and the lineage and individuality of these are of the best. Many of them were stallions donated for this purpose, when their services would have demanded and brought rich returns to their former owners, but personal gain was passed over in the desire to bring into the state improved breeding.

"In keeping with promises made when the bureau was organized the Jockey Club will offer this fall special premiums of \$50 each, divided as follows: Twenty-five dollars to first. \$15 to second and \$10 to third, for the produce of stallions placed by the bureau foals of 1910. These premiums will be offered through the agricultural societies of the following counties: Jefferson, Eric, Onondaga, Livingston, Westchester, Nassau, Schuyler, Osage, Orange, Madison, Cortland and Fulton.

"Reports from those in charge of the stallions have been recorded.

"The latest stallion to be placed by the bureau is Traveller, a son of Prince of Melbourne. He has been assigned to the army post at Plattsburg, which is directly across the lake from Fort Etian Allen, Vt. Here there is sure to be a big demand for his services, for the recent effort to encourage the improvement of the mounts for the United States cavalry has brought considerable activity in the horse breeding localities."

## LATONIA'S FALL STAKES ARRAY.

Cincinnati, O., August 16.—General Manager John Hachmeister, of the Latonia Jockey Club, today announced the list of stakes that will be offered during the forthcoming fall meeting of twenty-four days at Latonia, October 24-November 19. Entries for these stakes, of which there are eight, ranging in value from \$1,200 to \$2,000, will close September 3. The list is as follows: For two-year-olds:

Rosedale Selling Stakes, \$1,200; 5 1-2 furlongs. Fort Thomas Handicap, \$1,500; 3-4 mile. For three-year-olds and upward:

Autumn Inaugural Handicap, \$2,000: 1 1-16 miles, Laurel Selling Stakes, \$1,200; 3-4 mile, Kentucky Handicap, \$1,500; 1 mile and 70 yards, Final Selling Stakes, \$1,200: 1 1-8 miles, Criterion Handicap, \$1,500; 3-4 mile.

Omnjum Handicap, \$1,500; 3-4 mile The entrance fee in all cases will be only \$10.

The entrance fee in all cases will be only \$10. Manager Hachmeister, who returned from an eastern trip yesterday, departed today for a brief so-journ at a well-known resort. He amounced that Mars Cassidy would do the local starting, having signed a contract for Latonia and Churchill Downs. Speaking of the racing, Mr. Hachmeister said: "While I am not given to making extravagent statements, I would say that indications point to a great meeting at Latonia this fall. I expect a large number of eastern owners to race here this fall. Sam Hildreth will send some horses; so will George Odom and others who stand well on the eastern turf. I do not expect to see the colors of Mr. Keene, Mr. Belmont and Mr. Wilson this fall, still they may send horses in charge of some of those that are coming west."

Entered as second-class matter, April 2, 1896, at the post-office at Chicago, Illinois, under the Act of March 3, 1879.
